**Robert Schalkenbach Foundation  
2012 Donation & Book Order Form**

RSF was founded in 1925 as a private operating foundation to promote public awareness of the social philosophy and economic reforms advocated by Henry George, including the "single tax on land

values". RSF conducts research, holds seminars, and publishes and distributes books, including *Progress and Poverty* (1879), George's best-selling original classic. These and other works can be

accessed from our online library. We also offer hard copy books for purchase from our online bookstore.
